## Oboes and English Horns

<b>Used Strasser Oboe</b> This oboe is an all wood body, full conservatory, professional instrument. It has had some work done recently and will provide a great tone for a frugally minded oboist.	<del>\$3195</del> \$2295
<b>Used Lorée Oboe AY 40</b> Our used Lorée AY 40 oboe was built around 1950. It has had some repair work done and remains in great condition.	<del>\$4195</del> \$3495
<b>Used Lorée OC 04</b> This used oboe was imported new by us in 2001. Now it has come full circle and is back again as a used instrument. Played for many years by an Ontario professional this instrument has been well maintained and would provide anyone with many years of enjoyment!	\$5195
<b>Used Lorée QY 45</b> This oboe was imported new by us in 2007. All the maintenance over the years has been done by us. Between the young age and the great state of repair this instrument's value is tough to beat!	\$5795
<b>Used Buffet Greenline</b> The Buffet Greenline is a professionally equipped oboe. It is a composite material made of Grenadilla powder and resin. This instrument is great for someone looking "wood" but does not want to deal with cracking.	\$5495
<b>Used Fox Model 333</b> The Fox 333 is an excellent intermediate oboe, with a modified conservatory system. We received this oboe in excellent playing condition through a trade in. It was lightly used, but we touched it up and returned it to tip top shape.	\$2695
<b>Used Fox Model 450</b> The Fox 450 has a synthetic top joint and Grenadilla body; with full conservatory system. This means that you will not have to deal with moisture related cracks! This instrument was used by GAWL staff for several years and has been maintained by us throughout that time. This instrument sells new for <b>\$6395</b>	<del>\$6395</del> \$5995
<b>Used Laubin 1218</b> Laubin oboes are prized by many professional oboists because of their solid intonation and dark, rich tone. These oboes are notoriously difficult to get new; the waiting period is currently eight 8 years and when your name comes up it will cost you \$11,800 USD. This oboe was crafted in 1973.	\$5995
<b>Used Laubin 1552</b> Laubin oboes are prized by many professional oboists because of their solid intonation and dark, rich tone. These oboes are notoriously difficult to get new; the waiting period is currently eight 8 years and when your name comes up it will cost you \$11,800 USD. This used oboe was crafted in 1979 and has had an extensive rebuild prior to sale.	\$5995

## Saxophones

### Used Armstrong Alto Saxophone

This sax is well built, well maintained, starter instrument that would be perfect for a beginner.

\$449

### Used Buescher Alto Saxophone

This sax has been reconditioned prior to sale. It is silver plated with a gold interior lacquer. This was originally acquired from an estate sale and has seen very light use. It comes in the original case.

\$1249

### Used Buescher Baritone Saxophone

This sax came to us as a rescue from the TDSB. It is silver plated and has been completely overhauled prior to sale. This would be a great option for a university student looking to expand their line-up!

\$1795

## Clarinets

### Used Buffet R-13 "A" sn: 217\*\*\*

This instrument is an all wood body with Nickel plated keys. It came off the assembly line in 1981, has seen service since and is in great playing condition!

\$1995

### Used E-11 "A" sn: 107\*\*\*\*

The model E-11 is an all wood instrument with silver plated keys. It has had an overhaul before sale and there has been a crack, which we pinned, near the register key. This would make a great first "A"

\$895

### Used Selmer Paris Recital "A" sn: C8\*\*\*

The Selmer Paris Recital clarinet is the third of six tiers within their professional line. It is an all Grenadilla body instrument with Silver plated keys. It has been maintained by us over the years so it is in great playing condition!

\$2495

### Used Selmer Paris Series 9 "Bb" sn: V2\*\*

The Selmer Series 9 is a great horn with wood body and the signature Selmer wide bore; prized by jazz players. We just overhauled this instrument and it is in top shape! Our research leads us to believe it was originally built in 1967.
